**RE: REPORT ON THE PROGRESS OF THE BUSINESS RESCUE PROCEEDINGS OF SAIL MINERALS**

### **Introduction**

1. In terms of section 132(3) of the Companies Act 71 of 2008 (“Act”), if a company’s business rescue proceedings have not ended within three (3) months after the start of those proceedings, or such longer time as the court, on application by the practitioner, may allow, the practitioner must –
  - 1.1. prepare a report on the progress of the business rescue proceedings, and update it at the end of each subsequent month until the end of those proceedings; and
  - 1.2. deliver the report and each update in the prescribed manner to each affected person, and to the:
    - 1.2.1. Court, if the proceedings have been the subject of a court order; or
    - 1.2.2. Commission, in any other case.
2. Therefore, as required, this progress report is being delivered by the business rescue practitioner (“BRP”) in terms of section 132(3) of the Act.
3. Reference is made in this progress report to the prior progress reports and the adopted business rescue plan (“Plan”). Capitalised terms used herein bear the same meaning ascribed thereto in the Plan and/or the Act. It is therefore important that this progress report be read in conjunction with the previous progress reports and the Plan.
